ASPARAGUS

Our conventional and organic IQF asparagus comes whole, diced, chopped or just the asparagus tips. Organic asparagus puree and IQF pieces are used as ingredients for soups, smoothies, prepared meals, stews, stir fry and as a traditional veggie side dish. Additionally, we provide conventional and organic IQF asparagus roasted, seasoned and packed for healthy and organic prepared foods manufacturers. IQF asparagus can be fire-roasted and processed as 'reduced moisture content. Both fire-roasting and reduced moisture naturally enhance the asparagus flavor and color. As conventional and organic asparagus suppliers, we have:

- ☒ Organic
- ☒ Puree
- ☒ Roasted
- ☒ Reduced Moisture

- ☒ Our minimum order quantity are 20,000 lbs. of each product, in some of our products MOQ are 40,000 lbs. or 70,000 lbs.
